

Kerraboot®

Patient:

Hospital / Clinic:

Date:

Consultant:

The patient presenting this leaflet has received treatment for his or her underlying condition - please will you prescribe one of the products shown below:

Kerraboot® - Clear

Where wound observation is important perhaps over the first few days of treatment and where wound progress can be seen without the need to change the dressing.

Kerraboot® 'Clear' is available in packs of 10 dressings (tick box):

- X-Small** - up to shoe size 3
- Small** - shoe size 1-6
- Large** - shoe size 7+
- X-Large** - shoe size 7+ (for larger calf)

Kerraboot® - White

Where the patient prefers to have their wound out of sight.

Kerraboot® 'White' is available in packs of 10 dressings (tick box):

- X-Small** - up to shoe size 3
- Small** - shoe size 1-6
- Large** - shoe size 7+
- X-Large** - shoe size 7+ (for larger calf)
